Veterans

I am committed to make sure that we never forget the sacrifices America's veterans have made in defense of our nation and our freedoms. My office is prepared and ready to help Western New York veterans to secure the benefits they have earned. If you have a question about veterans' benefits or services available to veterans in New York, please call Chris Rumfola in my Rochester office at (585) 232-4850.

What is the difference between disability compensation and disability pension?

Disability Compensation: A monthly monetary benefit paid to veterans who are disabled by injury or disease incurred in or aggravated during military service.

Disability Pension: A monetary benefit paid to veterans of a period of war who are permanently and totally disabled for reasons not the result of their own willful misconduct and not related to their military service. This benefit is income-dependent.

What Are the Types of VA Claims?

There are Four Types of claims:

1. Original Claim: The very first claim for disability benefits compensation or pension) filed by a veteran. All original claims must be filed on VA Form 21-526.

2. Claim for Increase: A claim for increased compensation for a disability already found to be service-connected.

3. New Claim: A claim for compensation for a disability not part of the original claim. Also known as a supplemental claim.

4. Reopened Claim: A claim asking for reconsideration of an issue previously considered and finally disallowed by VA (after more than one year has passed).

The type of claim determines how much development is required by VA and/or the nature of the supporting evidence the veteran must submit in support of the claim. The processing time for a claim varies depending on the type of claim and the supporting evidence provided by the veteran.

How Do I Get a VA Home Loan?

There are 5 steps to get a VA Loan:

1. Apply for a Certificate of Eligibility. A Veteran who doesn't have a certificate can obtain one by filling out and sending the VA Form 26-1880, Request for Determination of Eligibility and Available Loan Guaranty Entitlement, to the local VA office.

2. Decide on a home the buyer wants to buy and sign a purchase agreement.

3. Order an appraisal from VA. (This is usually done by lender).

4. Apply to a mortgage lender for the loan. While the appraisal is being done, the lender can be gathering credit and income information. If the lender is authorized by the VA to do automatic processing, upon receipt of the appraised value determination, the loan can be approved and closed without waiting for VA review of the credit application. For loans that must first be approved by VA, the lender will send the application to the local VA office, which will notify the lender of its decision.

5. Close on loan and you move in!
